

CHECK BEFORE YOU CHUCK

DON'T LEAVE IT TO LUCK

The following household items can be dangerous if thrown away in your black bags or recycling. It's important that you dispose of these properly.

- | | | |
|-------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|
|  Batteries |  Gas canisters |  Mobile phones |
|  Electronics |  Aerosols (unless empty) |  Laptops |
|  Flares |  Digital cameras |  E-cigarettes |
